## Question 17) What is your racial or ethnic identification?

This question asks students to select all options that apply. To permit multiple responses, the question is represented in this codebook by five separate items that the student either checks or does not check.
NOTES: 1. When a student checks an item, it is marked " 1 ", when an item is not checked it is marked as missing data.
2. Whenever possible, "Other" races/ethnicities (REOTHR2) were recoded to existing categories (RELATINO, REAMIND, REASIAN, REAFRAM, REWHITE) using the U.S. Census Bureau's 2000 American Community Survey codes (www.census.gov/acs/www/Methodology/CodeLists/Race.htm) as a guideline. If REOTHR2 was successfully recoded for a student, we recoded REOTHR1 to missing but left REOTHR2 with the original write-in text. Hispanic/Latino/Spanish entries in REOTHR2 resulted in REOTHR1 being recoded to missing (www.census.gov/acs/www/Methodology/CodeLists/Hispanic.htm). For further details, please contact Robert Carini at (812) 856-5824.
