Re: Recommendations for Funding from Program Review Monies

Date: January 28, 2009

The Program Review Funding Committee recommends the following allocation for the Department of Anthropology. The items are approved with the provision that the Dean of CAHSS will ensure that the related curriculum issues are addressed:

1. Marketing materials for schools: \$1200

Relationship to curriculum: Learning outcomes associated with field school opportunities are established.

2. BSS 136 Smart Lab: \$6352

3. Biological Lab: \$4300

Relationship to curriculum: Both labs (2 and 3) are developed in alignment with the coursework in the various subdisciplines of Anthropology.

Total distribution: \$ 11,852
