
PROVOST'S COUNCIL NOTES

September 8, 2009
10:00 a.m. in CCR

Attendance: Both members of the Provost's Council and Department Chairs were invited to attend the meeting. Attendance was not taken.

College Reorganization

There was a general agreement that a broad reorganization effort was worthwhile, but now was not the time for such an undertaking. Such an effort should be driven by a clarified vision statement with clear objections rather than by a need to reduce expenditures. A more narrowly focused effort aimed at the administrative reorganization of small departments will be carried out at the college level.

The meeting adjourned at noon
