Undergraduate GPA \_\_\_\_\_

HSU Cumulative GPA \_\_\_\_\_

When were you admitted as a classified graduate student in the Department of Biological Sciences?

On one page, provide a statement providing specific details of how this award will further your professional development or research on invertebrates. On an additional page, provide a budget that clearly shows the amounts and purposes for which the award will be used. Because the dollar amount of the Brusca Award is dependent on the proceeds of the Award Fund, the amount awarded varies somewhat each year. In previous years, the award has averaged \$450.00.
