

Internship Resume

RANDALL GRAVES

115 Viewaskew St. ▪ Eureka, CA 95501 ▪ rg5@humboldt.edu ▪ 707.441.1169

OBJECTIVE An internship focusing on research in the field of neuropsychology

RESEARCH EXPERIENCE **Co-Author**
"Effects of Volunteering on Attitudes Toward Mental Health" 01/07 - 06/07
 Created and proctored 200 surveys, revised 3 attitude measures, enacted an extensive literature review, analyzed data using statistical software, drafted an abstract accepted for presentation at the annual Western Psychological Association conference in 2006.

RESEARCH ASSISTANT
"Reticulospinal Sensorimotor Circuits" 08/06 - 12/06
 Performed neuronal injections, used and maintained laboratory equipment including incubators, infrared cameras, and an electron microscope, created and ran 2 circadian rhythm experiments

EDUCATION **HUMBOLDT STATE UNIVERSITY**, ARCATA, CA
 Major: Psychology Senior Standing GPA: 3.9

COURSEWORK **RESEARCH METHODS IN PSYCHOLOGY** 08/06 - 12/06
 Studied research design and methodology, conducted a research project entailing literature review, measure construction, survey proctoring, data analysis, and APA manuscript drafting.

INTRODUCTION TO NEUROSCIENCE 08/05 - 12/05
 Studied neuronal anatomy and function, the central nervous system, functional localization in the brain, utilized GSR and heart rate monitors.

GENERAL BIOLOGY 08/05 - 12/05
 Studied genetics, cell anatomy, and cell function, utilized PCR machine, 40 hours of lab experience, wrote 10 scientific research papers.

GENERAL CHEMISTRY 08/04 - 08/05
 Studied organic and inorganic chemistry, utilized Bunsen Burners, spectrometers, and centrifuges, 50 hours of lab experience, performed 15 quantitative analyses.

STATISTICS IN PSYCHOLOGY 08/05 - 08/06
 Studied and implemented ANOVA, regression, χ^2 and other statistical techniques, investigated factors affecting statistical power and type I and type II error, explored hypothesis testing.

TEACHING EXPERIENCE **PROGRAM DIRECTOR**
Mental Health Education and Volunteering 08/05 - 08/06
 Humboldt State University, Arcata, CA
 Created and led over 30 one-hour lectures on issues in mental health, guided over 40 students in volunteering at Crestwood Behavioral Health, conducted 40 personal and 80 phone interviews.

TEACHING ASSISTANT
Self, Health, and Culture
 Humboldt State University, Arcata, CA 01/05 - 01/06
 Designed and led 8 lectures on theories in anthropology, held office hours, formulated curricula, graded papers, provided one-on-one writing assistance.

VOLUNTEER EXPERIENCE

- CASA training, Eureka, CA, 30 hours (2007).
- Crestwood Behavioral Health, Eureka, CA, 50 hours (2005 - 2006).
- ACT Early Violence Prevention, Arcata, CA, 14 hours (2005).
