4630 Sycamore Avenue • Oakland, CA 99223 • (425)760-1228 • alariawendel@hotmail.com

---

**OBJECTIVE** A position producing quality maps using my knowledge of cartography and GIS

- EXPERIENCE**
- GIS Web Page Developer** 2/03-present  
Teller Economic Development Association (TEDA) Oakland, CA  
Developed an interactive map (using Flash! software) for TEDA's web page to showcase the organization's use of ArcView 3.2 in economic development. Collaborated with their GIS specialist to develop appropriate map layers to be displayed incorporate zooming, panning, and overlay functions.
- Database Management Intern** 2/03-present  
Humboldt State University Arcata, CA  
Refurbished the 2001 Noxious Weeds Inventory database for the Humboldt County Weeds Mapping Area. Use AML to standardize all attributes in weeds coverages and digitize incoming hard-copy data from 2002. Redesigned the related ArcView project with appropriate labels and symbology.
- Project Assistant** 8/02-present  
Center for Environmental Economic Development (CEED) Arcata, CA  
Created specialized flow-charts and fact sheets on the structure and uses of Internet GIS for CEED's Community Mapping Project. Created a map of National Park Regions for CEED's Roads Removal Project report. Researched GIS tools that could be used for environmental management and presented them to the program director.
- GIS Specialist/Instructor** 5/02-8/0  
Oakland Community Development Center (OCDC) Oakland, CA  
Obtained centerline and cadastral data from the city, as well as land use information. Gathered and formatted Census 2000 data for use in ArcGIS. Created several maps for CCDC staff, including a geocoded map of Single Room Occupancy Hotels in Oakland. Taught lessons on how to use ArcGIS 8.1 and created labs for individual experimentation. Gave presentations on cartographic principles of design.
- SKILLS** ArcGIS 8.2, ArcInfo 8.2, ArcMap 8.2, ArcCatalog 8.2, ArcView 3.3, AVENZA Map Publisher, Adobe Illustrator, Adobe Photoshop, Adobe GoLive, HTML, Microsoft FrontPage, Microsoft Excel, Microsoft PowerPoint, Microsoft Word, MacroMedia Flash!, Corpscon, Oracle SQL, Windows.
- EDUCATION** **B.A. degree, Geography**, to be awarded May, 2003  
Geographic Information Technology Minor, 3.52 GPA  
Humboldt State University, Arcata, CA
- AWARDS** 2<sup>nd</sup> Place, Paper Map Competition 2003, California Geographic Society  
3<sup>rd</sup> Place, Interactive Map Competition 2003, California Geographic Society
