

Welcome to the Humboldt Forestry Alumni Recruitment Program Database!!!

High Schools/Colleges by County

We are currently adding more schools and information; if you have any contacts please email us so we can up date this database (forestry_alumni@humboldt.edu). Schools are listed with address & contact information. If two addresses are listed, the first is location & second is mailing. Schools that are highlighted in bold & yellow have contacted us and are interested in a presentation. Please page down to your county.

If you have any additional ideas to make this database more user friendly please contact either Eva Marlowe (eva.marlowe@gmail.com) or Brian Wing (brianwing@sbcglobal.net)

Thanks for you interest in conducting a presentation. We know you will find it to be an extremely rewarding experience. Go Jacks!!!

Your email is very timely. We are hosting a career fair on Thursday, April 27th from 6:30 - 8:30 PM at our high school and would love to have a representative for forestry, wildlife planning etc. Could someone from Humboldt who is familiar with those industries join us that evening? Please see attachment.

If it looks like someone will be able to attend, have them fax or email me by early April and I can send an official invitation.

Hello-My name is Gary Jessee and I teach Biology @ Colfax High School. My principal told me you would like to visit us and talk about your Forestry program.

Sounds great but our school year is almost over! A thurs or friday in May would work for a one time 45 minute presentation to some students. If you desire, next fall we could schedule a full day (five classes to address). Let me know.

School in Granite Bay, California. I am also a Humboldt Grad (Class of 1986 in NRPI and Wildlife Management). I think it's great that you are

trying to recruit more students in this way. I teach biology and a course in fish and wildlife management here,

and would love to arrange a presentation for my future fish and

wildlife classes. We are on a 4x4 schedule and I usually have one or 2 of

the fish and wildlife classes per year, usually in the fall semester. Several

of my students over the years have gone to Humboldt, and it would be

great to see more go.
