

OE PRINCIPLES

The College will provide each Department with minimum OE based on \$25.00 per major and \$25.00 per FTES. The Departments of Art, Music and Theatre, Film and Dance will have their OE allocations doubled. In the Fall of 2000, Chairs will submit to the Dean expenses essential to the health of the programs but which are in addition to the OE formula (i.e., accreditation expenses). The list of special line item expenses will be reviewed and approved by the Chairs, then final OE allocations will be determined. After Fall 2000, this list will be submitted in the Spring for program planning purposes.
