

BARGAINING STATUS REPORT  
CFA and UAW Negotiations  
September 28, 2006

The Public Employment Relations Board (PERB) informed the California Faculty Association and the CSU today that it has certified that a state of impasse exists in our bargaining for a new contract. This paves the way for the appointment of a mediator from the State Mediation and Conciliation Services. Once the mediator has been appointed, mediation sessions will be scheduled as soon as everyone's schedule permits.

The parties also agreed today to extend the terms of the current contract until October 31, 2006. A copy of the extension is available on the CSU website at:

Finally, in UAW bargaining, the Union has informed the CSU that it has decided to request that the PERB certify that a state of impasse exists in our bargaining on the Union's request for the fee waiver benefit for Unit 11 employees. We have informed the UAW that we will not oppose the request, so it is anticipated that the PERB will certify the state of impasse in these negotiations as well.
