

HOUSING AND DINING SERVICES

We will be able to accommodate approximately 560 people on campus. There will be a limited number of single rooms available. In order to accommodate the largest number of people, we encourage people to share rooms if at all possible (please see the double rate). All rooms are resident hall housing with shared bathrooms.

It is standard for the HSU Housing and Dining Services to have a meal plan included with the room (a separate meal plan is not offered). However a modified meal plan (4 breakfasts, 4 lunches and 1 dinner) is offered to reduce costs (we have taken into account what meals participants are actually likely to eat in the dining hall as opposed to the picnic, banquet etc.). The prices for staying on campus are detailed below.

The price includes the 4/4/1 meal package, a bed with a pillow, linens, blanket and towel. The meal cards allow one meal per meal period. Rooms have a desk, twin bed and closet for each guest.
