Local Committee

There were many people, including faculty, staff, and students, who worked diligently to organize and host the 2004 ASM meetings. We'd like to offer special thanks to Carl Hansen and the Office of Extended Education for coordinating the registration; Riley Quarles, Michael Penney, Jody Baker, Phil Hooker, and Will Seltzer and all of the fine folks at Instructional Media Services provided technical support; Heather Ault designed the logo and the website; Holly Freitas and the Housing Office provided dormitory support; Anthony Baker organized the Gordon Kirkland Run for Research; Michael King contacted vendors and organized the Breakfast with a Scientist; John Erickson and Richard Woods helped with facilities; Andrea Schwandt-Arbogast provided html advice at a crucial time; Tim Lawlor organized the Board of Directors Dinner; Cheryl Satter organized the committee meetings; Lowell Diller ensured a successful picnic venue. We owe a very large debt of gratitude for the tireless efforts of all of the undergraduate and graduate students who helped.

Sincerely,

Brian Arbogast, Chair
