

# Singing Geography

## The Continent Song

(sung to the tune of  
"Clementine")

North America,  
South America,  
Across the Atlantic  
To Africa.  
Europe, Asia,  
Down to Australia  
And Finally , Antarctica.

## Seven Continents Song

(sung to the tune of  
"Brother John")

There are seven,  
There are seven,  
Con-ti-nents, Con-ti-nents  
Europe, Asia, Africa,  
North and South America,  
Australia,  
Antarctica.

## Continents of the World

(sung to the tune of "This  
Land is Your Land")

This world is your world,  
This world is my world,  
From South America,  
To Asia and Africa  
From North America,  
To Europe and Australia,  
This world belongs to you  
and me.

## Earth's Four Oceans

(sung to the tune of "My  
Bonnie Lies Over the  
Ocean")

Atlantic is one of our  
oceans,  
Pacific and Indian too,  
The Arctic is often  
forgotten,  
I'll try to remember, won't  
you?  
Arctic, Atlantic, Pacific  
and Indian too,  
Earth's four oceans,  
I'll try to remember,  
Won't you?
