

## **We All Live Together**

**By Greg and Steve  
(CD same name-Volume I)**

**Oh, we all live together.  
Yes, we all live together.  
Oh, we all live together, together every day.**

**We live in a house in a neighborhood.  
The neighborhood is a part of a city.  
The city's in the county and the county's in the state,  
a part of the USA.  
And the USA is a good old place  
but it's still just a part of a place called earth.  
The good old earth is out in space,  
a part of the universe.**
