On July 1, 2009, President Obama signed into law the HEOA Technical Corrections Bill (H.R. 1777). Among other things, the bill moved the date that VA benefits are excluded from estimated financial assistance up to July 1, 2009.

Therefore, as of the 2009-10 academic year, Veteran's educational benefits such as Chapters 30, 33, and 35 will no longer be take into consideration when packaging financial aid.

Some benefits for veterans and dependents of veterans, however, do include FEE WAIVERS. These we must still take into consideration when packaging fee-paying grants. Please indicate below whether you are receiving a FEE WAIVER of any kind.

I am expecting to receive a fee waiver during the 2009-10 academic year.
