With this form you may propose an exhibition to the Exhibition Committee at Humboldt State University. The committee selects exhibitions for the Reese Bullen Gallery (RBG) on the main campus in Arcata, California and the First Street Gallery (FSG) in Old Town, Eureka, California. If your proposal is accepted, the committee will make the final determination of the gallery in which your exhibition will be produced.

**Types of exhibitions**

Visual artists working in all mediums and forms of expression are encouraged to apply. The Exhibition Program has a very broad mission, with the goal of exhibiting emerging and under-exposed regional artists as well as bringing visiting artists, new themes and art forms to our region that would otherwise be unseen by our local audience. Artists are also encouraged to submit applications to be considered for group shows.

**Application Deadlines and Calendar Slots**

There is no application deadline. The Exhibition Program accepts proposals at any time on an ongoing basis, with reviews twice yearly by the Exhibition Committee. Typically the gallery schedule is booked at least one and one half years ahead. Calendar slots to ask for within any calendar year are: **early spring, late spring, summer, early autumn, and late autumn**. If you have a proposal for our *Art & Environment* series, the slot to ask for is late spring.

**ART & ENVIRONMENT**

If you have a proposal appropriate to the HSU Exhibition Program's *Art Environment Series*, the slot to ask for is late spring within any given calendar year. The *Art & Environment Series* is designed to consider the broad intersection of the arts and such subjects as interpretation of the landscape, sustainable industries, watershed and land management issues, native stewardship and new and challenging developments in the environmental sciences—to name a few.

**Proposal Guidelines**

A form of a visual presentation representative of the work that you would like to exhibit should accompany this proposal form. **A full page of slides or CD is best.** You may also include photographs, disks, supporting graphics or drawings. Please include written material on the artist(s) and project. Send your proposal package with **an enclosed self addressed-stamped return envelope** to the Gallery Committee c/o Jack Bentley, Art Department, HSU, Arcata, CA. 95521-8299.
