

Discrimination Complaint Resources

Humboldt State University affirms and protects the rights of students and employees to seek and obtain the services of the University without discrimination. No employee or student shall on the basis of race, color, gender, religion, age, sexual orientation, marital status, pregnancy, disability, veteran status or national or ethnic origin be excluded from participation in, be denied the benefits of or be otherwise subjected to unlawful discrimination, including discriminatory harassment, under any program of the University.

HSU encourages prompt resolution to problems. Various offices such as Human Resources, Academic Personnel Services, Student Affairs, and Disabled Student Services can provide information to people with questions or concerns. Representatives from these offices are knowledgeable about complaint procedures and can help parties understand their options for problem resolution.

Ombuds persons provide confidential, impartial, and informal support or mediation to faculty, staff, and students to assist with concerns or complaints. They are Professors Laura Hahn (lk9@humboldt.edu) and Scott Paynton (stp3@humboldt.edu).
