Hours: Classes run Monday – Friday. Program assistants preferably arrive 10 minutes early and stay after for about 10 minutes. Assistants can help with one or more classes depending on volunteer’s availability and preference.

Benefits: Experience working with children in a non-traditional learning environment, work alongside experienced teachers and naturalists and earn a positive reference upon successful completion. Other benefits include Museum membership (value \$55), discounts in the store, and stipend of \$100. (Interns are also invited to the summer beach party midway through the season.)

Qualifications: Must like and have one year experience with children ages 4 to 12. The volunteer is extremely important to the class so be prepared to make a serious commitment to being there each day. Assistants need to be able to take direction as well as able to anticipate needs. Must be reliable, have a good attitude and communicate well. Possible tasks include setting up activities, helping with clean-up, gathering supplies, and supervising small groups for small amounts of time.
