The Benavides-Garb Family International Scholarship

“The Benavides-Garb Family International Scholarship is founded on the belief that going out and seeing the world in an educational setting is a transforming event in the life of a student. An educational immersion experience is an unparalleled and complex emotional and intellectual process. In meeting and appreciating other people, cultures, languages, and communities around the world, we learn to know and appreciate ourselves and our community back home in ways we never imagined before. Ultimately, it is the hope of the Benavides-Garb family to help students to envision themselves as sensitive world citizens and key players in creating peaceful bridges among nations.”

— Sarina and Rosamel Benavides-Garb
