Education

Ph.D.

Aug. 2016

Major: Educational Theory and Practice (Middle School Education)

Dissertation: *Does My Body Lower Your Science Grade? A Feminist Deconstruction of “Distraction” in Coeducational Schooling*

Dept. of Educational Theory and Practice

Advisor: Cory A. Buxton

Committee Members: Martha Alleksaht-Snider, Elizabeth A. St. Pierre, and William Wraga

Minors:

Interdisciplinary Qualitative Studies Graduate Certificate

Dept. of Lifelong Education, Administration, and Policy

Graduate Certificate in Women’s Studies

Institute for Women’s Studies

The University of Georgia

Athens, GA, USA

M.A.

Sep. 2008

Major: Educational Research

Thesis: *Problem-Solving Pedagogy for Adolescents; An Educational Model*

Dept. of Instructional Methods and Curriculum

Faculty of Psychology and Education

University of Tehran

Tehran, Iran

B.A.

Sep. 2005

Major: Special Education

Dept. of Psychological Foundations of Education

Faculty of Psychology and Education

University of Tehran

Tehran, Iran

Professional Experiences

Associate Professor
(August, 2025- present)

California State Polytechnic University, Humboldt
(School of Education)

Assistant Professor
(August, 2020- July 2025)

California State Polytechnic University, Humboldt
(School of Education)

Postdoctoral Research Associate
(June, 2016- January, 2020)

Georgia State University (Dept. of Middle and
Secondary Education)

Project Manager and Instructor: A Reciprocal Model for
Teaching and Learning Computational Competencies:
Connecting Pre-Service Teachers and Urban Latino
Youth- National Science Foundation Award #1433440

Graduate Teaching Assistant
(August, 2015- May, 2016)

University of Georgia (Dept. of Educational Theory
and Practice)

Instructor

EDUC 2120- Exploring Socio-Cultural Perspectives
on Diversity

Graduate Research Assistant
(August, 2012- July, 2015)

University of Georgia (Dept. of Educational Theory
and Practice)

Language-Rich Inquiry Science with English Language
Learners (LISELL)

PIs: Dr. Cory Buxton, Dr. Martha Alleksaht-snider,
Dr. Allan Cohen, and Dr. Laura Lu

<https://coe.uga.edu/research/grants/lisell-b>

Graduate Assistant
(Summer 2014)

University of Georgia (Dept. of Educational Theory
and Practice)

Content Development for College of Education's Website

Graduate Teaching Assistant
(August, 2013- May, 2014)

University of Georgia (Dept. of Educational Theory
and Practice)

Teacher Candidate Supervision and Instructor:

EDMS 5020L- Educating Young Adolescents

EDMS 5030L- The Middle School Curriculum

EDMS 5460- Student Teaching in the Middle School

Graduate Research Assistant
(August, 2011- May, 2012)

University of Georgia (Dept. of Educational Theory and Practice)

Preparing for Climate Change: Exploring Nature, Society and Individual in Middle Grades Science and Social Studies

PI: Dr. Ajay Sharma

Research Interests:

- Curriculum Studies
- Women and Queer Studies in Education
- Community-based and Informal STEM Programs
- Sociocultural Context of Science Education
- Indigenous Scientific Knowledges
- Science and Technology Studies

University of Tehran	Talented student of Masters programs in University of Tehran, 2005-2008
National Organization for Educational Testing	Ranked 2 nd in National Post Graduation Entrance Examination of Iranian Universities in Education Majority (Educational Research), 2005
National Organization for Educational Testing	Ranked 10 th in National Post Graduation Entrance Examination of Iranian Universities in Education Majority (Educational Philosophy), 2005
University of Tehran	Talented student of undergraduate programs in University of Tehran, 2001-2005

National Organization for Educational Testing

Ranked 33rd in National Entrance Examination of Iranian Universities in Human Sciences Majority (among more than 500,000 applicants), 2001

Allameh Helli High School

Ranked 2nd in scientific festival of *Allame Helli* high school for design & performance of “Smoke Tunnel”, invited to National Convention of Physics Scientific Society of Iran, 1999

Grants (Funded and Under Review)

Primary Investigator: *Dismantling Systemic Inequalities in Indigenous Higher Education*. (Amy Sprowles Co-PI) \$5,000 grant funded by California State Polytechnic University, Humboldt Diversity, Equity, Inclusion, and Accessibility Grant Program. 2024.

Primary Investigator: *Placed-based Learning Communities Professional Development*. (Amy Sprowles Co-PI) \$5,000 grant funded by California State Polytechnic University, Humboldt Center for Teaching and Learning. 2024.

Primary Investigator: (not funded). *Scientific Knowledge-building through Language and Culture*. \$67,314 Center for the Advancement of Instruction in Quantitative Reasoning CAIQR at the CSU Office of the Chancellor. 2024- 2026.

Primary Investigator: (not funded). *COmmunity REsponsive Computational Thinking with LatinX Youth: Taking Teacher Education to Rural Areas (CORECTLY)*. \$ 1,187,394. Early Career Award (CAREER). 2022- 2027.

Primary Investigator: (not funded). *Mapping Multilingual Communities in California*. (Amy Rock Co-PI)- \$22,746. 2022-2023.

Primary Investigator: (2021- not funded). *COmmunity REsponsive Computational Thinking with LatinX Youth: Taking Teacher Education to Rural Areas (CORECTLY)*. \$999,999. Early Career Award (CAREER). 2022- 2027. NOT FUNDED.

Primary Investigator: *Sandra K. Abell Institute for Doctoral Students*. (Kathryn Scantlebury, Sara Tolbert Co-PIs)- \$29,152 grant funded by A Global Organization for Improving Science Education through Research (NARST), 2021.

Primary Investigator: *COmmunity REsponsive Computational Thinking with LatinX Youth- Preliminary (CORECTLY-pri)*. \$5,000 grant funded by Humboldt State University Sponsored Projects Foundation. 2020- 2021.

Primary Investigator: *Incentive Program*. \$4,000 grant funded by Humboldt State University Sponsored Projects Foundation. 2021.

Project Manager: *A Reciprocal Model for Teaching and Learning Computational Competencies: Connecting Pre-Service Teachers and Urban Latino Youth*. (Patrick Enderle, Anton Puvirajah, Judith Monsas, Lynnette Aponte Co-PIs)- \$773,237 grant funded by the National Science Foundation, ITEST Program, 2015-2018 (award# 1433440)
