TO: 2016-2017 Associated Students (AS) Budget Applicants

FROM: Joan Tyson, AS General Manager

RE: 2016-2017 AS Budget Request

Attached are instructions and forms to complete a budget request for 2016-2017 Associated Students funds. All applications must be completed and returned to the Associated Students General Manager's Office no later than NOON on Wednesday, February 10, 2016. Please submit eight copies of your application.

DIGITAL APPLICATION MATERIALS ARE AVAILABLE ON OUR WEBSITE AT:

<http://humboldt.edu/associatedstudents/services/as-business-services>

The Associated Students budget is based on the number of fee-paying students. At this time we are anticipating the number of students attending HSU in 2016-2017 to be approximately the same as in 2015-2016. Keep these parameters in mind and incorporate the applicable "Important Notes" listed below as you develop your request. Significant changes to the budget are unlikely beyond the mandated increase in hourly wages.

Important Notes:

1. There are two meetings scheduled to review these materials and answer any questions that you may have regarding the budget application process. Your attendance is highly recommended:

Wednesday, January 20, 4:00 – 5:00 p.m., Nelson Hall East, Room 106

Wednesday, January 20, 5:00 – 6:00 p.m., Nelson Hall East, Room 106

2. We have completed the first column of the budget draft grid. You will need to complete the "Other" column for 2015-2016. You will also need to complete the proposed budget columns for 2016-2017. The "Other" column should include support by other campus department's funds (that is, salaries, supplies, telephone) and also include program fundraising. It is very important you include this "Other" information.
3. AS Budget Justifications: Please provide a detailed description for each line-item included in the revenue and expenditures column of the Proposed Budget 2016-2017. Please follow format provided in this packet.
4. Hourly wages: Programs paying wages for tasks such as office coordinator, project manager, groundskeeper, compost labor, gardener, gym supervisor, lifeguard, and/or

clerical assistants shall include a brief position description in the hourly wages budget justification. Also included shall be the projected number of hours of work per week in the Fall and Spring, rate of pay and total per year.

5. Director's position descriptions: Provide a brief description for each director position requested in your budget. Descriptions should include the general duties and responsibilities required of each position. Descriptions should not exceed 4-5 sentences and/or 75 words. Director positions are intended for students to serve in leadership roles within an AS Program. Please follow the format provided in this packet.
6. For director positions, annual amounts are as follow. These are per year amounts, payable half each semester. The same person cannot receive payment for more than one director position within each program without prior approval of the Board of Finance.

Example:

1. Program Director \$2,550 (\$1,275 per semester)
A program director is generally the student that has overall administrative responsibility for a program. A program director usually works 8-9 hours a week during the academic year.
2. Co-Director \$1,950 (\$975 per semester)
Co-Director's generally share the oversight of a program based on a description of duties. A co-director generally works 6-7 hours a week during the academic year.
3. Assistant Director \$1,350 (\$675 per semester)
Assistant Director's support the director and/or the co-director with the program's administration. An assistant director generally works 4-5 hours a week during the academic year.

7. Programs that include any wages (excluding work study wages) must include five percent (5%) of the total wages to pay for payroll taxes (Unemployment & Worker's Compensation). For example, if you are requesting a total of \$3,000 in wages, you would budget five percent (5%) for payroll taxes.

Example:	Wages	\$3,000
	Payroll Taxes	\$150 (5%)

Please Note, this applies to wages paid to students involved in programs directly paid by the Associated Students which includes AS Government, CCAT, ERC, GPA, Student Access Gallery, WRRAP, and the Women's Resource Center. Hourly wages paid on a reimbursed basis would not include a line-item for payroll taxes.

8. Minimum wage is \$10.00 per hour.

9. If you are requesting any new paid positions, please consult with Joan Tyson, Associated Students General Manager by Friday, January 29, 2016. This could avoid any unnecessary delays and/or questions.
10. The Federal Work Study match amount continues to be twenty-five percent (25%) of total hourly wages paid.
11. General Narrative section: Complete the General Narrative section included in the budget application materials. Some of the questions may have changed from previous years, so please be sure to follow the current format.

Programs requesting funds may be invited to a Board of Finance meeting to answer specific questions about their budget requests on Saturday, February 27, 2016. If the Board of Finance does not have any questions for you, you will not need to attend. Please mark your calendar now! The Budget Administrator or other designated person(s) will be requested to attend at a specific time. The purpose of your attendance is to provide the Board of Finance with any further clarification necessary before making a recommendation to the AS Council on a proposed budget allocation for your program. You will be notified of the time of your hearing at a later date.

The Board of Finance will present a recommended budget to the AS Council on Monday, March 7, 2016. Programs will also receive a copy of the recommendation at that time. The AS Council will be prepared to discuss the AS Recommended Budget on Monday, April 4, 2016. If for some reason a program decides to appeal the Board of Finance's budget recommendation you will be required to attend the Monday, April 4, 2016 AS Council meeting to present your appeal. If any additional questions remain unanswered AS Council may request a program attend their Monday, April 18, 2016 meeting.

ASSOCIATED STUDENTS EXECUTIVE SUMMARY

History and Background

The Associated Students (AS) was first organized on campus in 1924. The association became a 501(c)(3) non-profit corporation in 1991. It is also a recognized auxiliary organization of HSU, representing over 8,000 HSU students. Governance of the organization is provided by the AS Council that includes 16 students that are elected annually and serve as the Board of Directors.

Mission Statement

The specific purpose of the Associated Students of Humboldt State University is to provide a means for responsible and effective participation in the governance of the campus; provide an official voice through which students' opinions may be expressed; foster awareness of these programs both on and off campus; assist in the protection of the rights and interest of the individual student and the student body; provide services and programs to meet the needs of the student and campus community; and stimulate the educational, social, physical, and cultural well-being of the University Community.

Funding

Each student that enrolls at HSU pays a mandatory AS fee, also known as a Student Body Organization fee. Currently that fee is \$117 and generates approximately \$950,000 in revenue per year. That fee, along with other program revenue, provides funding for approximately 20 different programs and services. (A complete list of programs is provided in the *AS Funded Program and Services Description* section that follows.) The average AS fee in the 23 campus CSU system is \$145. However, comparing AS organizations is difficult as how they are organized and what programs and services they provide varies widely campus to campus. Also, in order for the AS fee to be adjusted, Education Code 89300 requires the proposed change be approved by a majority of voters voting in a referendum established for that purpose.

A copy of Statements of Net Position June 30, 2015 & 2014 and a Statements of Revenues, Expenses, and Changes in Net Position June 30, 2015 & 2014 are included as Appendix A and Appendix B.

Human Resources

The Associated Students operates with a staff of three full-time employees. These include the AS General Manager, and AS Office Coordinator and the AS Council Assistant. We provide employment for approximately 150 student employees that work for the various AS funded programs. We have an agreement with the Humboldt State University Center Board of Directors to provide administrative services, human resource management,

accounting and business services and information technology. In addition to overseeing and managing the AS Fee, the AS Business Office also administers the Instructionally Related Activities fee and provides student club accounts for over 150 student organizations at no charge.

AS FUNDED PROGRAMS AND SERVICES DESCRIPTION

With student success as the cornerstone of AS, the AS has three primary purposes.

ADVOCATE, EDUCATE, ALLOCATE

- 1) AS participates in the shared governance of Humboldt State University, is the official voice through which students' opinions may be expressed, and **advocates** for that perspective to the appropriate parties.
- 2) AS **educates** students on current affairs that have significant impact to students on campus, in the local community, and at the state level, and
- 3) AS advances the enrichment of student life by **allocating** a substantial amount of annual funding for student clubs and organizations, diversity programs, and academic support programs. Every student pays the \$117 AS fee annually.

AS programs and services are primarily student-led and student directed; others are joint efforts between other divisions on campus and the Associated Students. AS programs reflect a variety of student interest and are open to all students who wish to participate. The mission of the programs of the Associated Students not only matches the mission of the Associated Students but also reflects the values, mission and vision of Humboldt State University by contributing to the University's goals. WRRAP provides a means for students to take responsibility for waste generated on campus and to make a positive contribution to the quality of the environment. WRRAP gives students

hands-on training in composting and maintains a compost demonstration site. The community can also utilize WRRAP's Reusable Office Supply Exchange located in House 53.

20,000 student contacts served through services and activities.

Youth Educational Services (YES)

This experiential learning opportunity allows for students to expand on their academic careers, becoming leaders who provide quality community service to people without available resources. A broad range of social issues are examined and a balance of academia and activism is supported to create community leadership and promote future active citizens.

SERVICES ANALYSIS

Primary Market

As a membership serving organization Associated Students programming primarily targets the 8,200 students of Humboldt State University. We also serve some non-student programs and services customers. Associated Students distinguishes itself as a non-profit auxiliary of Humboldt State University in many ways. Financial, administrative, policy and advocacy decisions of the organizations are made by the Associated Students Council which serves as the Board of Directors. All 16 members of the Associated Students Council are elected annually and are currently matriculated students.

Budgetary Considerations

The budget of the organization is mainly composed of the mandatory AS fee of \$117 that each student pays annually. The annual budgeting process is a facilitated transparent process that is coordinated by the AS General Manager with involvement of the AS Program Budget Administrators, the AS Board of Finance and the AS Council. Budget application materials are made available in December of each year for the following fiscal year. The AS budget process is outlined in the AS Constitution, AS Fiscal Code and Chancellor Executive Order 369—Associated Students' Budgets. A five year budget forecast has been included with the strategic plan. **This budget forecast is absolutely an evolving document and is not intended to be set in stone.** The forecast includes assumptions that increases to mandatory costs (minimum wages, business services, insurance) will not dramatically outpace the organizations fiscal growth based on enrollment projections and that the Associated Students will not disrupt or expand programs and services significantly. The AS Council undergoes an annual review of its Reserve Policy and funding levels to determine whether the reserve balance is on track to meet the needs of the AS and our Mission.

Strengths, Weaknesses, Opportunities and Threats (SWOT) Analysis

The strategic plan for the next five years was developed within the framework of factors that were discussed at retreats, committee meetings, staff members and the AS Council.

The scan includes both internal factors that come from and are influenced by AS directly and well as external factors that are outside of AS's direct control. The SWOT analysis highlighted what AS may need and the obstacles to be overcome or minimized, in or to achieve its strategic goals.

Strengths

- Personnel – Knowledgeable staff who work as a cohesive team to operate the AS organization.
- Student Serving – AS provides many opportunities for student involvement where students gain professional development, leadership skills, networking opportunities and other life skills. Governance of the organization is provided by the AS Council that includes 16 students who serve as the Board of Directors. AS funded programs employ approximately 150 student employees. AS programs provide many volunteer opportunities including appointing students to 39 campus committees.
- Financial – The majority of AS's revenue is from mandatory AS student fees. The organization's reserves are strong.
- Administrative Support – Quality business service support is provided by to the AS by University Center through a contractual agreement.
- Organization – At the CSU system level, AS continues to maintain its "auxiliary in good standing: status and track record for unqualified financial audits. At the campus level AS continues to maintain the cornerstone of student success through; advocating student opinion, educating students on current affairs that impact students, and allocating funding for student clubs, organizations and programming.
- Programs and Services – AS funded programs provide a wide array of programming and activities which promote an array of social, economic, and environmental issues. This diversity coupled with the cumulative impressive turnout for AS funded programming and activities enriches student involvement and student life on campus.

Weaknesses

- Personnel – Replacement of management will mean a loss of experience and institutional knowledge for the organization.
- Student Serving – There is a high turnover rate for the students serving on AS Council, with annual elections to fill these positions.
- Marketing and Visibility – AS struggles with this issue. AS's marketing reach does not cover the entire campus. Many students comment that they are not aware of what AS provides even though most of these students are taking advantage of AS Programs and Services.
- Facilities – Multiple AS facilities/houses that are exceeding their estimated life. Some date back to before the campus was established and are named after founding faculty members homes (example; Homer Balabanis joined the faculty in Fall 1923 and lived in the house that is currently the Multicultural Center). Safety concerns and maintenance requirements are increasing in cost.

- Budget – AS is effected by external factors such as supply costs, benefit costs, and minimum wage increases. In order for the AS Fee to be adjusted a referendum requiring approval by a majority of student voters is needed.
- Information Technology (IT) – Due to staff limitations, AS has not kept up with integrating innovations in technology, particularly in reaching out to students. AS website content also needs a refresh.

Opportunities

- Flexibility – The annual budget request and approval process allows for AS to respond to the changing needs of our dynamic student population. Current AS Program budgets can be amended and new Programs can be funded on an annual basis.
- Campus Growth – Steady enrollment will stabilize the organizations revenue, allowing stable funding to be given to AS funded programs and activities.
- Technology – Enhancing, expanding and creating, when necessary, AS social media pages to improve organizational marketing. Expanding the use of mobile applications and available forms online will make improvements to the operation of AS as well as the organization's commitment to transparency. Establish a requirement of periodic updating of all AS Program websites. Incorporate all websites under the Humboldt State University website domain.
- Feedback – Questionnaires and surveys can be more frequently and widely distributed to students and programs to gain feedback on the AS organization and to improve service.
- Personnel – By the end of the fiscal year, there will be a new AS General Manager. There are many unknowns that accompany this change.

Threats

- Identity – Guard against the loss of organizational identity and unity. Campus departments that AS has traditionally partnered with, are increasingly taking credit for AS funded programs and events without appropriate acknowledgement of AS funding and support.
- Personnel – By the end of the fiscal year, there will be a new AS General Manager. There are many unknowns that accompany this change.
- Budget – As an auxiliary, any state budget cuts to CSU funding affects enrollment and could have a negative impact on AS revenue and funding for its operational needs.

Regulatory Restrictions

CSU auxiliary organizations are usually classified into one of four basic categories. The Associated Students of Humboldt State University is categorized as a Student Body Organization. Auxiliary organizations are subject to specific statutes, regulations, and policies of state, federal, or local governments. AS operations must be operated within the hierarchy of state statutes, regulations and policies which are as follows:

- a. Education Code,
- b. Trustee Regulations (Title 5 and CSU Internal Regulations),
- c. Executive Orders of the Trustees and Trustee policy,
- d. Executive Orders of the Chancellor and
- e. Policy letters of the Chancellor's Office,
- f. Campus Policies and Regulations,
- g. HSU Associated Students Articles of Incorporation
- h. Associated Students of HSU Constitution
- i. AS Codes, Policies and Procedures

Commitment to Transparency

The AS is committed to transparency and strives to model best practices by providing all governing documents, agendas, minutes, audits and tax returns on its website.

ORGANIZATIONAL GOVERNANCE and MANAGEMENT

The governing board is known as the Associated Student Council. The composition of the Associated Student Council consists of twenty-one members. Sixteen members are voting members, three are non-voting student advisors, and two are non-voting staff/administrator advisors. Given the representative, fiduciary, legal, and other long-range policy making responsibilities of student office holders, it is the policy of HSU that student office holders have an obligation to demonstrate academic involvement, achievement, and progress as per HSU Executive Memorandum P13-01, Minimum Qualification for Student Office Holders.

Voting members consist of Executive Officers and Representatives. The Executive Officers include:

- President,
- Administrative Vice President,
- Legislative Vice President, and
- Student Affairs Vice President

The Representatives include:

- Three (3) College of Natural Resources and Sciences Representatives,
- Three (3) College of Arts, Humanities and Social Sciences Representatives,
- Three (3) College of Professional Studies Representatives
- Two (2) At-Large Representatives, and
- One (1) Graduate Student Representative.

The nonvoting advisors are called Council Advisors, which include:

- External Affairs Representative,
- AS Presents Representative,
- Elections Commissioner,

- General Manager of the Associated Students, and
- Vice President of Enrollment Management and Student Affairs.

STRATEGIC GOALS—LOOKING FORWARD

Future Plans

The AS Council, elected annually, sets annual priorities each September. The 2015-16 AS Council cannot commit to plans for a future Council.
