

Pathway Programs Webinar

THURSDAY, JANUARY 18, 2024 FROM 5PM-6PM (PST)

The session will consist of information about PREP & SHPEP program requirements and structure as well as other free resources that are offered by the David Geffen School of Medicine at UCLA.

PREP

The Pre-Medical Enrichment Program (PREP) is a 6-week intensive summer program that;

- Provides pre-med students with the means to strengthen their ability and readiness to study medicine
- Allows participants to enhance their chances of being accepted to medical school and succeeding once there

Application is now open, deadline is March 1, 2024

The session is available to community college, CSU, UC students interested in pursuing medicine, dentistry, or nursing & any supporting faculty and staff who want to learn more about these programs.

SHPEP

The Summer Health Professions Education Program (SHPEP) is a 6-week program;

- For underrepresented in medicine students interested in the Health Professions
- At UCLA/CDU SHPEP, we are committed to developing future leaders that will change the face of medicine, nursing, and dentistry as well improve health care delivery, policy, and research in underserved communities

Application is now open, deadline is February 5, 2024
