# SEQUOIA PARK ZOO

Looking to develop your professional skills and bolster your resume?  
Passionate about wildlife, conservation, and environmental topics?

Consider volunteering at the **Sequoia Park Zoo** in Eureka!

### ANIMAL CARE PROGRAM (ACV)

Get hands-on experience preparing the diets, servicing the habitats, and assisting in the general care of over 50 animal species!

### ZOO INTERPRETER PROGRAM (ZIP)

Love the zoo but not big on poo? ZIP is an education program where volunteers lead activities and utilize biofacts like skulls and pelts to deepen visitor understanding and appreciation for the animals in our care.

### REDWOOD SKY WALK STEWARDS

The Stewards are stationed up on the Sky Walk and provide interpretation of the structure itself as well as the mixed growth redwood forest that surrounds the zoo.
