Spring 2027

ENGL 601

WRITING A RESEARCH PROPOSAL

Write the first chapter of your MA project.
Learn the versatile genre of the research proposal.

Make Progress on Your Project

- Write an effective proposal that explains your work to potential partners.
- Read what you care about and support your writing practice.
- Discover methods used in the humanities and social sciences, including arts-based and storytelling methods.
- Design a project you're ready to complete.

Open to All Majors

Instructor: Janelle Adsit, PhD
