SPRING COMMENCEMENT **2026**

May 16 | Redwood Bowl

Message from the Chancellor

Dear Class of 2026:

Today marks both the end of your time with the California State University and the start of an exciting new chapter. Along with the degree you worked so hard to earn, you have gained knowledge, skills and connections that I know will take you far.

Your accomplishment is celebrated today by so many people, including those who supported you on this journey: your family, friends and all those whose love sustained you; the faculty who trained you to look at the world with a critical eye and an open mind; and the counselors, advisors, librarians, tutors and coaches who together created an encouraging environment for you to succeed and to thrive.

You have made all of them, and me, extraordinarily proud.

As you face new opportunities in the days ahead, you will do so empowered by your membership in a vibrant global network of more than four and a half million CSU alumni. Together, you are certain to enrich our workforce and communities. After all, CSU alumni (like you!) have so much to contribute, whether it is exploring solutions to society's greatest challenges, working to educate and inspire the next generation or powering the fight for democracy and a more just world.

No matter the path you choose, please stay connected to your alma mater and to the CSU. Your connections—both to your campus and to other CSU alumni—are powerful tools that can help to open new doors of possibility. Likewise, I encourage you to offer support to all those who aspire to follow in your footsteps in pursuit of a CSU degree.

You begin writing your next chapter today—and I wish you every success. May your hard work and creativity lead to happiness, prosperity and deep fulfillment, both in your life and in the lives of those around you.

Felicitades, California State University Class of 2026! I can't wait to see all that you will accomplish.

Warmly,

President's Message to the Graduates

Dear Cal Poly Humboldt Graduates,

Congratulations, Class of 2026! Today is a powerful milestone—one that reflects your hard work, resilience, and determination. Each of you has taken a unique path to get here, and many of you have balanced jobs, family responsibilities, and financial challenges along the way. That makes

this achievement all the more meaningful.

During your time at Cal Poly Humboldt, you didn't just earn a degree; you learned through hands-on experience. You built lasting relationships, found your voice, and became part of a community committed to making a difference. That spirit is reflected in the Graduation Pledge of Social and Environmental Responsibility, a tradition that calls on you to think about the impact of your choices and to help improve the world around you.

Today, you join more than 90,000 alumni who are creating change in communities near and far. Wherever you go next, you carry the values, experiences, and support of this university.

As you celebrate, take a moment to thank those who helped you reach this day. No great milestone is achieved alone. Your family, friends, and mentors share in this accomplishment.

I am proud of you. We are all proud of you. And I hope you are proud of yourselves.

Congratulations, and may the Class of 2026 be known as a class that changed the world.

Go Jacks!

Guest Information

Emergencies & First Aid: The University Police Department has a command post and first aid station near the scoreboard at the south end of Redwood Bowl. There are police officers on duty. For emergencies, dial 9-1-1. For non-emergency assistance dial 707-826-5555. In the event of an unforeseen situation, we ask that you remain calm and seated, and listen for instructions from the stage. The main exits are through Redwood Plaza and up the stairs at the southeast end of Redwood Bowl to Union Street, the ramp at the southeast corner of Redwood Bowl, the tunnel at the southwest corner of Redwood Bowl, and the tunnel in between the Recreation & Wellness Center and the Forbes Gym buildings.

Lost & Found: Lost and found is located at the University Police command post at the south end of Redwood Bowl, near the scoreboard.

Smoking: Cal Poly Humboldt, like all California State University campuses, is smoke- and tobacco-free. Smoking is not permitted anywhere, indoors or outdoors, on the Humboldt campus.

Photographs: Guests are asked not to stand in the aisles or block the view of others for the purpose of taking pictures. There are reserved sections on each side of the field for personal photo opportunities of your graduates. We ask that guests remain in this location for up to 10 minutes to allow for other guests to capture photos. A commercial photographer will be taking pictures of all graduates who cross the stage. Proofs of the photographs will be emailed to each graduate at no charge. Photos may then be ordered, though there is no obligation to do so. Find graduate photos after the ceremony at GradImages.com.

Domestic Animals: Domestic animals are permitted outside on campus grounds but are not allowed in any campus buildings or in Redwood Bowl, with the exception of service animals. All service animals must be leashed and under the handler's control at all times.

Sign Language Interpretation: Sign language interpreters will be signing throughout the ceremony on the east side of Redwood Bowl only. Reserved seating is available for guests in need of ASL interpretation in the ADA seating section on the east side of the field. The interpreters will not sign any graduates' names. However, any requests for graduate names you would like signed will be honored. Please let our ushers know of your needs.

Spanish Interpretation: Simultaneous live interpretation for Spanish speakers will be available during the Commencement ceremony. Headset devices are available on a first come, first served basis and must be returned promptly after the ceremony. An item must be left with them for collateral (such as keys, ID, etc.). Stop by the Center for Translation & Interpretation tent on the south end of the field for assistance.

About the Ceremony

Regalia: Commencement ceremonies at Cal Poly Humboldt, like those at most universities in the United States, feature distinctive academic regalia and ornamentation. Upon conferral, the tassel on the cap is moved from the right to the left. The gown's sleeves indicate the highest degree held—the bachelor's gown has long pointed sleeves, the master's has long oblong sleeves, and the doctor's has very full sleeves with velvet bars. The color of the hood's silk lining indicates the area of study as well as the institution conferring the degree. The colorful regalia of our faculty attest to the many different universities from which they graduated, as well as the variety of their academic fields.

Ceremonial Mace: An ornamental staff which is typically made of metal or wood, the mace symbolizes authority and is carried by a faculty member who leads the processional and recessional. Cal Poly Humboldt's mace was redesigned during its 2013-14 Centennial Year by a team of University craftspeople and artists, including Art Professor Kris Patzlaff and her students; Jennifer Slye Moore, then administrative support coordinator in the Art department; and Art alumnus Roger Durham. "The entire shape represents a torch, which symbolizes enlightening students through their educational experience at Humboldt," Patzlaff explains. The mace is also constructed of sustainable materials, including recycled metal and unleaded enamel. Engraved in silver on the mace is the University's motto: "Phos Aletheia," Greek for "Light and Truth."

Music: "Pomp and Circumstance," composed by Britain's Sir Edward Elgar in 1901, welcomes graduates to Redwood Bowl. All ceremonial music is played by the Humboldt Commencement Brass Ensemble.

Cultural Performances: Cultural performances by Ballet Folklórico de Humboldt, Humboldt Taiko, INRSEP Student Drum, Mariachi de Humboldt, and Yolteotl Danza Azteca will be welcoming and entertaining guests as they arrive before each ceremony.
