Congratulations Graduates!
Message from the Chancellor

Dear Class of 2021:
In this most extraordinary year, I offer my deep admiration, gratitude and sincere congratulations to a most extraordinary class of graduates.

As numerous forces upended our world, you held your dreams steadily in sight and persisted in your studies through challenges none of us could have imagined. Unlike any other CSU graduating class past or future, you have by necessity developed and demonstrated skills—far beyond your academic work—that will ensure your continued success: resilience, flexibility, resourcefulness, patience and tenacity. While so much and so many have been lost, your resolve has shone as a symbol of hope and optimism—and you should be proud.

On behalf of the entire California State University community, I am certainly proud to present you to the world as our newest class of CSU alumni, joining an impressive international network now nearly 4 million strong. Together, you will power the recovery of our state and nation, educate our next generation, fight for social justice, and create new and sustainable opportunities for health, security and prosperity for us all. I encourage you to stay connected to your campus and your peers, to look for opportunities to give back, and to support the future generations who will follow in your footsteps.

And as our many months of physical separation begin to come to a close, I hope you will hold in your hearts all of those who have supported you from afar. The faculty who broadened and deepened your understanding of the world. The counselors, advisors, librarians, tutors, coaches, facilities and support staff who created a nurturing environment of care and growth. Your family and friends, whose belief in you never wavered.

All of these people have been forever impressed by your spirit, determination and accomplishments. Please count me among them—and I know you will continue to make us proud.

Again, congratulations to the class of 2021!

Sincerely,

Joseph I. Castro
Chancellor

President’s Message to the Graduates

Dear Humboldt Graduates,

There is nothing more meaningful or more significant to a University than celebrating the moment our students complete their degree as Humboldt State University graduates. Congratulations and well done!

Do you remember that first day in class? Wondering where classrooms were located and not being sure what to expect? Remember the sights, sounds, smells, and activity around the University Center? There was an energy on every clear day, as well as a sense of camaraderie amongst students. Do you remember the t-shirts and sweatshirts you would wear displaying your pride in your university? Or, do you remember the moments you volunteered your time to help others, in the truest spirit of what it means to be a Lumberjack. Each of those moments is a mark you have left upon this University—forever. As a University we will forever be better because of you. It is our sincere hope that you will forever be better because of us, too.

You now join one of the largest and proudest groups of people—those who call themselves alumni of Humboldt State University. As you embark on the next steps in your life, please know that we are extremely proud of you and grateful for your commitment to your education and this University. Please continue to do your part to help create a better society and better planet.

Forever Humboldt,

Dr. Tom Jackson, Jr.
President, Humboldt State University

Dr. Walter Lara, Sr., a Yurok tribal member and the father of seven living children, was brought into the world in 1935 by his Aunt Eunice in Orick, California and was raised by his grandparents, Jim and Josie Marks. In the early mornings, his grandfather occasionally accompanied Walter on his walk to the “Little Red School House” at Stone Lagoon to protect him from mountain lions and other wild animals.

The one-room school had an enrollment of nine children, first through eighth grade. During these walks, lessons of the loss of a way of life, the survival, and challenges of the Yurok people were shared. Dr. Lara, Sr.’s grandparents were both Yurok first language speakers and held the culture and traditions of their ancient people close to their hearts. This was the foundation of the man who holds a deep desire to make a better world for his people.

Dr. Lara, Sr. is a respected spiritual leader and wisdom keeper of the Yurok Tribal people and recognized as a Native cultural and political luminary among Tribal Nations throughout the State of California.

Dr. Lara, Sr. has a long and enduring relationship with Humboldt State University. He made contributions to scholarship in which he shared his knowledge on Yurok tradition through publications and workshops. He gave lectures in the departments of Forestry & Wildland Resources, Native American Studies, Art, and Child Development. Dr. Lara, Sr. has participated in American Indian College Motivation Day, California Indian Big Time & Social Gathering, Indigenous People’s Week as well as events sponsored by the Indian Natural Resource Science & Engineering Program (INRSEP) and Indian Tribal & Educational Personnel Program (ITEPP).

In 2020, Dr. Lara, Sr. advised HSU students on their production of a video about Indigenous knowledge. He is co-coordinating a Ka’m-tem: Next Steps for K-12 Educators Course, a partnership between the HSU Department of Child Development and the Yurok Tribe. Those who know Dr. Lara, Sr. say that “his body of work has influenced generations of scholars, leaders, and community members across social, cultural, political, and governmental spheres.”

Dr. Lara, Sr.’s contributions to the Yurok Tribe, surrounding community, and HSU epitomize meaningful, life-long service that represents the mission of California State University.

About the Ceremony

**Regalia:** Commencement ceremonies at Humboldt State University, like those at most universities in the United States, feature distinctive academic regalia and ornamentation.

Upon conferral, the tassel on the cap is moved to the left. The gown’s sleeves indicate the highest degree held—the bachelor’s gown has long pointed sleeves, the master’s has long oblong sleeves, and the doctor’s has very full sleeves with velvet bars. The color of the hood’s silk lining indicates the area of study as well as the institution conferring the degree. The colorful regalia of our faculty attest to the many different universities from which they graduated, as well as the variety of their academic fields.

**Ceremonial Mace:** An ornamental staff which is typically made of metal or wood, the mace symbolizes authority and is carried by a faculty member who leads the processional and recessional.

Humboldt State’s mace was redesigned during its 2013-14 Centennial Year by a team of University craftspeople and artists, including Art Professor Kris Patzlaff and her students; Jennifer Slye Moore, then administrative support coordinator in the Art department; and Art alumnus Roger Durham.

“The entire shape represents a torch, which symbolizes enlightening students through their educational experience at HSU,” Patzlaff explains. The mace is also constructed of sustainable materials, including recycled metal and unleaded enamel. Engraved in silver on the mace is Humboldt State University’s motto: “Phos Aletheia,” Greek for “Light and Truth.”

**Music:** “Pomp and Circumstance,” composed by Britain’s Sir Edward Elgar in 1901, welcomes graduates to Redwood Bowl.

Music Professor Gilbert D. Cline composed a new recessional for Commencement, signaling the end of the ceremony, during the University’s 2013-14 Centennial Year. The piece is inspired by sounds from campus and evokes the HSU fight song, the bell tower, and the now-retired Arcata noon siren. It is titled “Sempre Pro Veritas,” which is Greek for “Always for Truth.”

Graduation Pledge of Social and Environmental Responsibility

The Graduation Pledge of Social and Environmental Responsibility is a Commencement tradition that was started by HSU students in 1987, and has since been adopted by universities worldwide. The Pledge is a personal vow to consider the social and environmental consequences of the decisions that students make after receiving their degree from Humboldt State.

“I pledge to explore and take into account the social and environmental consequences of any job I consider and will try to improve these aspects for any organizations for which I work.”

Graduates: take the Pledge at gradpledge.humboldt.edu today!
