Re: Vote on the dues increase

May 12, 2025

Good Day Humboldt-ERFSA Members!

Humboldt-ERFSA members, thank you for your membership during AY2024-25.

A recent meeting with our venue managers has made it clear that the cost of our use of venues will be raised next year, and may double in cost. As a result, the Executive Committee has recommended raising the dues by \$10 per semester, to \$35 per semester, \$70 per year. As per the Humboldt-ERFSA Bylaws, an increase in dues requires approval by a majority vote of the membership.

Please reply to this email or send an email to jcb2@humboldt.edu by the end of next Monday (May 19th, 11:59pm) and vote either:

YES, I approve of the increase in dues, or

NO, I do not approve of the increase in dues.

The results of the vote will be sent, once a majority of the membership votes YES or NO.

Thank you for your attention on this matter.
