Marshelle,

Thank you so much for reaching out. I am truly excited to have the opportunity to join the Cal Poly Humboldt family, and I look forward to getting to know you and the members of your group once I'm there. I've attended several Retirees Association events here over my tenure, and I'll look forward to doing the same with your group. Your group has done so much to build a great university, and I'll hope to benefit from your continued guidance and support in the years to come.

Best wishes for a great fall and thank you again for your email!

Richard
