## Space Allocation Request Details

### **Alignment with University Principles**

**1. How does this request support Cal Poly Humboldt's Strategic Plan?**

6: Student Experience & Success

**2. How does this request support each of the goals selected above?**

The space will primarily be used for programming, student advising, and academic support services that focus on the needs of undocumented and minoritized students.

**3. How does this request support, sustain, or enhance current initiatives with proven patterns of success?**

It will also be used for workshops, student leadership development, and training initiatives led by the Coordinator. While some staff presence will be necessary for the effective delivery of these services, it will not function as a traditional administrative office. Instead, it will serve primarily as a student-centered resource hub with some shared work areas.

### **Needs Analysis**

Within the EMSS, the center aligns with the division's priorities to foster holistic student development, remove barriers to success, and enhance cultural and identity-based support services. For the MBU, it strengthens efforts to provide inclusive environments where students can thrive academically and personally through targeted programming, workshops, and leadership development opportunities.

### **Funding**

**1. Has funding been identified?**

Yes

**2. If funding has been identified, do you have an estimated cost?**

No, except maybe one time funding

**3. If a chartfield has been identified, please provide.**

**4. Have you consulted with Planning, Design and Construction Unit?**

Consultation was conducted on November 18, 2025

### **Additional Relevant Information not Previously Addressed**
