University Space & Facilities Advisory Committee

MEETING LOCATION: Zoom Meeting

MEETING TIME: Friday, February 13, 2026, 11:00AM-12:00PM

Voting

x	Andrea Alstone
x	Wendy Sotomayor
x	Eric Riggs
x	Ann Johnson-Cruz
x	Kristen Stegeman-Gould
x	Nick Pettit and Michael Herbert
x	Laura Levy
x	Duncan Hughes
x	Brian Law
x	Patrick Orona
x	Dave Jannetta
	Skye Honor

Non-Voting

x	Travis Fleming
x	Deirdre Clem
	Kassidy Banducci
x	Elizabeth Whitchurch
	Howard Maxwell
x	Michael Fisher - Co-Chair
x	Genevieve Marchand - Co-Chair

Quorum (6 or more) - yes

1. Previous Meeting Notes

- a. [January 30, 2026 Minutes](#) - approved

2. AY2025-2026 USFAC Details

- a. USFAC Reporting (Senate) - nothing to report
- b. Committee and Membership Updates - nothing to report. Bring back working group reporting on the next agenda.

3. Space Requests

- a. 2025-2026 AY Space Request Call
 - i. Final reviews and provide recommendations for [active space requests](#)

1. Request 105 - Dreamers Center

- a. Mike Fisher wanted to note that El Centro is different from the Dreamers Center. The two programs are not interchangeable and communal offices are not ideal for the two groups.
- b. Dave Jannetta asked Mike Fisher to remind him of the trajectory of the shift of these programs. Mike clarified that there is potential for California Center for Rural Policy (CCRP) to move out of Little Apartments (LAPT) to a location off campus, therefore those spaces may become vacant and available. There is also potential for Career Center location shifts, as well as the overarching goal to vacate the Student Health & Counseling building once the Housing, Dining & Health project is built in the future.

- c. **Motion:** To recommend approval of the proposal contingent on identifying space.
- d. **Vote:** Yay 10; No 0; Abstain 0.

2. Request 106 - Wrestling Practice Facility

- a. Mike Fisher noted that this request scored low for Associated Students, and as he was able to attend their review meeting, Mike explained to AS the history of the wrestling team and the use of the space, including specialized equipment.
- b. Duncan Hughes asked if the Police academy training can continue to use the space and Nick Pettit confirmed that the martial arts training will be able to continue. Athletics is working with them closely on the use of the space and it is not that frequent.
- c. Dave Jannetta has reservations on blocking an All School space for one user group. Nick Pettit clarified that the specialized equipment is the hindrance to blocking this space. The mats are easily susceptible to damage, and there are safety concerns relative to cleanliness. Mike Fisher compared this space to a science lab space that has specialized equipment and the classes scheduled are specific to that specialized equipment.
- d. If approved, the goal would be to remove the space from Conference & Event Services (CES) reservation control, and change the room allocation from All School to Athletics.
- e. **Motion:** To recommend approval of the request for the Wrestling Practice Facility proposal in Recreation & Wellness Center 126.
- f. **Vote:** Yay 11; No 0; Abstain 0.

3. Request 107 - RAMP Center Upgrade

- a. Utilizing the reservation system is also an option for their larger meetings.
- b. Patrick Orona indicated that the option to move Retention Through Academic Mentoring Program (RAMP) to Telonicher House (TH) and Place Based Learning Communities (PBLC) to RAMP's space in the Library ground floor is still in deliberations between the two departments.
- c. **Motion:** To recommend approval of the request for the RAMP Center upgrade pending identified space.
- d. **Vote:** Yay 11; No 0; Abstain 0.

4. Request 108 - Q Center

- a. **Motion:** To recommend approving the request for the Q Center, pending identifying space
- b. **Vote:** Yay 11; No 0; Abstain 0.

5. Request 109 - Micromobility Vehicle Locker

- a. The committee discussed again whether this space request is a true space request or is a project for Facilities Management to process. The consensus among the committee leans towards the request fitting more into the project process for improvement to campus than a space allocation. This request is different from the previously-discussed Native American Studies exterior space allocation as a bike shelter by nature would not be allocated exterior space.
- b. Ann Johnson-Cruz mentioned that security should not be included as it is not a guaranteed service provided to other parking areas on campus. It is noted that there is a deficiency of secure alternative transportation vehicle shelters on campus. Andrea Alstone reminded us that e-scooters don't have a way to secure on a traditional bike rack and are not allowed inside buildings.
- c. Dave Jannetta suggested motorcycle parking stalls may function as alternative mobility vehicles, and could include locks.
- d. **Rationale:** An enclosed alternative transportation shelter is supported by the USFAC. The request does not fall under a space allocation; the requestors

should work with Facilities Management regarding moving their request forward as a project.

e. **Motion:** To not recommend that Request 109 be approved.

f. **Vote:** Yay 8; No 0; Abstain 0.

6. Request 110 - Cal Poly Strategic Space Moves

a. **Motion:** To recommend approving the request for the Cal Poly Strategic Space Moves

b. **Vote:** Yay 11; No 0; Abstain 0.

c. Ann Johnson-Cruz asked what the timing is for LAPT improvements. Abatement is complete per Travis Fleming, and the accessible restroom and Transfer Center space design is in process. Ideally it will be completed by the end of summer 2026, but is still TBD.

d. The Bookstore move will start after commencement in May 2026, which is the first move of the series. The rest of the moves would likely be in the Fall 2026 or even early Spring 2027. Ann Johnson-Cruz asked about the retrofit of the Gutsurrak Student Activities Center (GSAC). Mercantile space does not require sprinkling; assembly does. So the Bookstore will not require fire suppression upgrades.

ii. [Space requests summary](#)

1. Note the update to Request #110 3B: Locate Transfer Student Center under Enrollment Management and Student Success division(EMSS) to LAPT 110, 112, 113, 114, 115

iii. [2024-25 Rationale and Recommendations](#) for reference

iv. [Rubric](#) (USFAC)

v. [Rubric](#) (AS)

1. Based on Associated Students' review comments, we will improve the process for the next space request cycle: USFAC will share the content of our deliberations to AS prior to their review and scoring.

vi. [Schedule](#)

4. Action Items

a. 1.a. - January 30, 2026 Minutes approved

REMINDER- Next USFAC meeting is Friday February 27, 2026, 11:00AM, Zoom Meeting
