## Emotional Support Animal Roommate/Suitemate Agreement 2025-26

---

I, the undersigned, agree to share the common areas of my assigned residential space with the approved Emotional Support Animal (ESA) **only when its owner is present in the common areas**. Still, the ESA must be restrained by a carrier, leash & harness, or verbal command. I understand that the owner is responsible for ensuring that the Emotional Support Animal is crated or otherwise contained, as appropriate, in the owner's assigned individual living accommodation (e.g., bedroom) when the owner is not present during the day while attending classes or other activities.

If I have any concerns about this agreement or the ESA, I will discuss them with the ESA's owner, Resident Advisor (RA), or Residence Life Coordinator (RLC).
