

## LEAD Student Job Description

### LEAD STUDENT ASSISTANT

**DATES OF EMPLOYMENT:** April 20 - August 11, 2026

**SUPERVISORS:** Joellen Peterson, Conference Services Coordinator & Christie Moody Resident Services Coordinator

#### General responsibilities include:

- Work with Conference Services 10-40 hours per week. (~10 hrs during academic year, 35-40 during summer)
- Conference operations are open throughout the summer (including holidays); staff members will be expected to work weekends and holidays.
- Provide excellent customer service to Conference & alumni guests, housing residents, and the campus community.
- Act as contact for conference attendees; answer questions and provide them with accurate information in a courteous and helpful manner.
- Maintain oversight of the Conference/alumni room assignments and all associated details such as access, rosters, and the check-in /check-out of Conference and alumni guests.
- Develop a close working relationship with the Conference Services Coordinator and the Resident Services Coordinator.
- Maintain a positive and helpful manner while working cooperatively with summer conference staff, Housing staff and Conference groups.
- Serve as a resource to assist completion of any tasks as assigned by the Conference Services Coordinator and the Resident Services Coordinator.

#### Specific responsibilities include:

- Assist in maintaining oversight of the Conference desk operations and duty staff and all associated details for the successful operation of the desk and safety and security of Conferences.
- Serve as mentor and resource to the general Conference staff.
- Cover shifts at the Conference desk as needed.
- Under guidance from supervisors, prepare, schedule and run training sessions for Conference student staff.
- Coordinate room assignments, room changes, access/meal cards, key information, and payment information etc. for each conference/alumni guest.
- Encode and decode all key cards for conference and alumni guests using the Onity system.
- Creating check-in packets for all Conference & alumni guests.
- Create Conference group director's packets including an overview of the floor plan of room assignments, available extra rooms, and any special notes regarding room assignments for each check-in.
- Answer phone calls, take messages, answer questions, faxing or mailing information and refer guest complaints and comments to appropriate staff members.
- Prepare agenda and lead student staff meetings.
- Track housing requests and payment information of individuals from several Conference groups.
- Maintain open and regular communication with fellow lead, Conference coordinator and resident services coordinator.
- Maintain knowledge of current issues with conference guests, employees, and facilities.
- Employ working knowledge of housing buildings and facilities.
