

Emotional Support Animal Roommate Acknowledgement 2026-2027

I, the undersigned, acknowledge that my roommate has an emotional support animal (ESA) in our shared living space. I understand that the approved ESA will only be in common areas (such as the living room, kitchen, or bathroom) when accompanied by its owner.

I understand that roommates cannot prevent or restrict the owner of the approved ESA from bringing their authorized animal into their assigned room and common area, as this space is part of the owner's approved housing accommodation.

I understand that the owner is responsible for ensuring the Emotional Support Animal is crated or otherwise contained, as appropriate, in the owner's designated living space (such as a bedroom) when the owner is not present.

I understand that if I have any concerns about this agreement or the ESA, I will discuss them with the ESA's owner, Resident Advisor (RA), Residence Life Coordinator (RLC), or other Housing & Residence Life staff members.
