

**Our relationship
with the university
goes all the way back
to the beginning.**

**Compass Community Credit Union
welcomes all faculty and staff
of Cal Poly Humboldt.**

Our credit union was formed in 1951 by a group of professors and employees of Humboldt State College — the predecessor of Cal Poly Humboldt — with the goal of providing members with reasonably priced loans and a good return on their savings.

“Today, we carry out that mission along with providing exceptional service and strive to guide our members toward better banking. Compass is excited to offer several benefits exclusively for Cal Poly Humboldt employees,” President/CEO, Ray Litchfield.
