

What to do if you see Federal Immigration Officers on campus?

- Immediately contact **Michelle Caisse**, Interim Associate Vice President and Chief Human Resources Officer, (707) 826-4501 or michelle.caisse@humboldt.edu OR **David Hickcox**, Title IX Coordinator & DHR Prevention Administrator, (707) 826-5177 or david.hickcox@humboldt.edu
- If neither of these administrators is available, contact the **University Police Department** (UPD) at (707) 826-5555.
- You may also report it to Centro del Pueblo's ICE hotline: (707) 200-8091.
- If you hear rumors of federal immigration officers on campus or in the community, or have doubts about vehicles you may see on campus, etc, alert Interim AVP Caisse.
- After you report, do not spread unverified reports of the presence of federal immigration officers—this spreads fear and anxiety.

What to do if you are approached by Federal Immigration Officers?

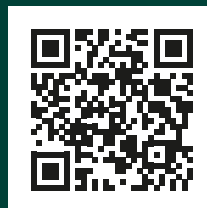

- Inform the officer that you are not obstructing their process, but you're not authorized to release student or employee data or provide access to non-public spaces, and that you must contact the university official designated to verify the immigration enforcement documents (Interim AVP Caisse).
- Immediately alert **Michelle Caisse**, Interim Associate Vice President and Chief Human Resources Officer, (707) 826-4501 or michelle.caisse@humboldt.edu or **David Hickcox**, Title IX Coordinator & DHR Prevention Administrator, (707) 826-5177 or david.hickcox@humboldt.edu.
- If neither of these administrators is available, contact the **University Police Department** (UPD) at (707) 826-5555.
- After alerting AVP Caisse, ask the immigration officer for a copy of their credentials (name and badge number), agency affiliation, and contact information and record this information.
- An immigration officer must present a valid judicial warrant to access nonpublic areas of the University or to search university records unless exigent circumstances exist. If the officer declares that exigent circumstances exist and demands immediate access, immediately alert UPD.
- Reach out to community support networks, like Scholars Without Borders, CHIRLA, and Centro del Pueblo. CdP's ICE hotline: (707) 200-8091.

Students in need of support can reach out to:

The Dean of Students Office: Siemens Hall 211,
