Mathematical Video Dim Sum

Dr. Jeff Haag

Department of Mathematics
Cal Poly Humboldt

Professor Haag enjoys the thrill that comes from seeing, hearing, and understanding mathematics. Superstars like **3Blue1Brown** and **Mathologer** take his breath away. But lesser-known creators also leave him gasping or smiling. And hungry for more! For this colloquium he will serve up portions of several of the videos that briefly satisfy his craving, and make him hungry for more.
