Cal Poly Humboldt.

Memorandum Of Understanding (MOU)

This MOU is entered into on January 1st, 2027, between California State Polytechnic University, Humboldt and California State University, East Bay for a CSU Asian American, Native Hawaiian, and Pacific Islander Student Achievement Program (CSU ASAP) cooperative agreement over the next five-year CSU ASAP grant cycle (2025-2030).

Introduction and Purpose

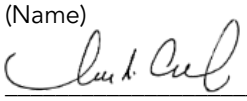

Our two campuses will share innovations and best practices to effectively deliver the following support services to AANHPI and other high-need students that are consistent with California Education Code Section 89297.1

(A) Culturally responsive learning communities.
(B) Advising and counseling services.
(C) Mental health counseling and awareness services.
(D) Career development, career readiness, and employment services.
(E) Asian American, Pacific Islander studies courses and curriculum development.
(F) Leadership development, internships, and mentorships.

Conditions/Agreements

1. This cooperative agreement will consist of quarterly (or other mutually agreed upon) meetings between representatives from our respective campuses.
2. Additional administrative, faculty, staff, and student mentorship opportunities (including conference presentations and publications) may be agreed upon in the future.
3. Each campus will submit separate applications for funding.
4. Awarded funds will be dispersed to each campus separately and independently.
5. If this MOU needs to be amended, it will be done so by mutual agreement of our two campuses and the CSU ASAP central office.
