

**Resolution on Revision of Perpetual Calendar
#20-03/04-EX**

RESOLVED: That the Academic Senate of Humboldt State University accept the proposed revisions of the PERPETUAL CALENDAR and recommends that the proposed revisions be forwarded to the Provost for implementation by the Office of Academic Affairs.

RATIONALE: During the past two years the *ad hoc* Calendar Committee of the HSU Academic Senate and the Office of Academic Affairs has been working on a revision to the original Perpetual Calendar established by HSU Academic Senate Resolution #38-92/93-FA.

The development of a state supported summer session which began during summer 2000 as a 5~5~10 week format created problems in the offices of Enrollment Management and Financial Aid with regard to grade processing, notification to students of academic status, and the administration of financial aid for eligible students.

The process of integration of the summer session in 2000 and subsequent years has been done in a "best fit" manner either by a unilateral decision in Enrollment Management or by consultation with the *ad hoc* Calendar Committee.

The 2003-2004 *ad hoc* Calendar Committee was charged with the development of a set of perpetual calendars for Fall Semester, Spring Semester-Normal, Spring Semester-Leap, and Summer Session along with a set of principles to guide in the development of future Academic Year Calendars.
