

RESOLUTION ON THE PROPOSED NEW APPROACH OF
THE LONG RANGE PLANNING DOCUMENT
(#30-93/94-EX)

- WHEREAS, Humboldt State University needs to adopt and implement a new long range planning document to replace the one developed in 1980; and
- WHEREAS, The Subcommittee on Long Range Planning of the Academic Resources Allocation Committee (ARAC) has developed a new approach for planning; and
- WHEREAS, The new approach provides for the continuation of an array of categories of programs which define the nature of the University; and
- WHEREAS, The new approach relies on measures of quality rather than priorities among programs; therefore, be it
- RESOLVED: That the Academic Senate of Humboldt State University endorses in principle concepts outlined in the new approach for long range planning; and be it further
- RESOLVED: That the Academic Senate of Humboldt State University recommends that ARAC consult the Academic Senate on the development of the categories of programs, on the development of criteria on which quality will be evaluated within these categories, and on the development of any other specific elements of the long range plan based on the concepts the Academic Senate has endorsed by this resolution.
