University Senate Standing Rules – 2020/2021

These “Standing Rules” supplement the *Constitution of the University Senate* and the *Bylaws and Rules of Procedure for the University Senate*. They will be reviewed and revised as needed.

1. Procedure for Approval of Items from the Integrated Curriculum Committee placed on the Senate’s Consent Calendar (Approved 10/29/13, University Senate)
 - When the question of general consent is put by the Chair, one objection shall remove the proposal(s) from the consent calendar and shall immediately move to the end of the current business agenda with no further discussion. All remaining items are approved without objection.
 - Once the item is reached on the agenda it will be treated as a motion to approve. As with any motion, discussion may follow, and any subsidiary motion can be entertained, including a motion to send it back to committee or to postpone to a time certain at the next agenda if further input is required, particularly if it is to allow guests to address the Senate on the issue.
 - If an item removed from the Consent Calendar is not addressed during the current meeting, it returns as an agenda item at the next Senate meeting.

NOTE: For the procedure for all other Consent Calendar items, see [Senate Bylaws](#), Section 3.0.

2. Readings of Resolutions (Approved 10/29/13, University Senate)

First Readings:

- are placed on the floor by a member of the committee with a motion and a second
- are intended to provide feedback and advice to the committee
- no amendments are made during a First Reading.

Except for resolutions on changes to the Senate Constitution or Senate Bylaws, a First Reading may be waived by a two-thirds vote of the Senate. A member of the Senate needs to make a motion to waive the First Reading. If the First Reading is waived, then the Senate proceeds as if it is a Second Reading (e.g., amendments may be made, etc.).

Second Readings:

- Second Readings are considered ‘on the floor’ already, no motion/second is required
- Amendments may be made to the Second Reading; however, prior discussions should not be revisited.

Debate is limited to three pro and three con arguments, unless a motion is made to extend debate. Motion to extend debate must pass by a two-thirds vote of the Senate. Questions for the purpose of clarification are not counted as arguments.

3. Introduction of Resolutions By Senate Standing Committees

Resolutions coming from a Standing Committee of the University Senate through the Senate Executive Committee and appearing on the Senate agenda shall be considered moved and seconded by the Senate for purposes of consideration and debate. Resolutions not coming through the normal process shall require a motion and second by Senators to introduce.

Integrated Curriculum Committee Bylaws and Rules of Procedure

1.0 ICC INSTITUTIONAL LOCATION AND RELATIONSHIPS TO THE UNIVERSITY SENATE & CAMPUS COMMUNITIES

The Integrated Curriculum Committee (ICC) is a standing committee of the University Senate of Cal Poly Humboldt.

2.0 PURPOSE OF THE INTEGRATED CURRICULUM COMMITTEE

The Cal Poly Humboldt University Senate charges the ICC with the careful consideration and deliberation of all academic planning and curriculum matters. It is the expectation of the University Senate that ICC members work collaboratively and act in the best interest of the university-wide community and in consideration of the Humboldt purpose and strategic plan. The University Senate will accept most ICC recommendations without further deliberation; however, the University Senate reserves the right to deliberate on any recommendation.

The University Senate further notes that while the ICC is charged with developing and applying academic planning and curricular task processes, there are important elements of college-wide and inter-college collaboration that are not the focus of the ICC. The University Senate encourages the appropriate bodies (e.g., college councils of chairs and cross-college affinity groups) to structure regular conversations to facilitate collaboration and sharing of ideas regarding changes. In support of this collaboration, members of the ICC are expected to report out on curricular proposals and ICC work in their Colleges, Schools, and Departments, and the ICC chair will send out bi-weekly updates to Department Chairs and Program Leaders to promote information sharing and identification of collaborative opportunities. The ICC as outlined in this constitution will be the only campus body with the authority to forward academic planning and curriculum proposals to the University Senate, which, when approved by Senate, will be forwarded to the Provost's office for final consideration.

5.0 RELATED SENATE COMMITTEE – ACADEMIC POLICIES COMMITTEE

The Academic Policies Committee (APC) is a standing committee of the University Senate of Cal Poly Humboldt. APC membership is defined in the University Senate's Bylaws. The APC Chair serves as a member of the ICC (but not as a member of any ICC subcommittee). As the APC develops policies, the draft documents are brought to the ICC for suggestions.

6.0 ANNUAL PROGRAM REVIEW PEER REVIEWS

All faculty members (including librarians) of the ICC will read and respond to the self-study portion of the seven-year academic program reviews. Based on the number of program reviews for the year, each faculty will be assigned 2-4 programs to review, with a minimum of 5 faculty, and the Associate Director of Academic Assessment, providing feedback for each program. The Director of Academic Assessment will compile all feedback into a peer review letter that will be distributed by the ICC chair to the Programs.

7.0 NOMINATIONS, ELECTIONS, AND QUALIFICATIONS

The ICC Chair and the nine (9) other generally elected ICC faculty members will be elected by the General Faculty. The Appointments and Elections Committee of the University Senate will conduct the nomination and election processes in accordance with the provisions of General Faculty Constitution and the University Senate Bylaws. Candidates for ICC Chair must be faculty with previous experience serving on the ICC, the University Senate, the Academic Policies Committee or as a department chair. The faculty members elected by the General Faculty will serve staggered three-year terms so that ICC subcommittees will include at least two faculty members with previous experience serving on each subcommittee. When a faculty member leaves before term completion, the body will follow the process for filling vacancies that occur between regular elections, as outlined in the General Faculty Constitution and University Senate Bylaws.

The Chair of the Course and Degree Changes Subcommittee will be selected annually by the membership of the subcommittee. The chair of the GEAR Curriculum and Assessment Committee will be elected directly to that position as described above.

A department chair representative from each college will be elected by their respective college Council of Chairs for a two-year term on the ICC Academic Planning and Programs Subcommittee.

A Graduate Council Faculty Representative will be elected by the Graduate Council to serve a one-year term.

8.0 MEETING SCHEDULES

The ICC and its subcommittees meet during a two-hour time block on Tuesdays starting at 9 am, beginning the first Tuesday of each semester. There is no expectation for meetings outside this time block, but there is an expectation for reading of course and

program proposals, edits, and comments outside the scheduled meeting time. The Chair of the ICC may cancel meetings of the ICC if there are no agenda items. These meetings will be hyflex whenever possible. The Academic Policies Committee will meet at times other than the regularly scheduled ICC meeting times.

9.0 AGENDA CONSTRUCTION AND TASK ASSIGNMENT

All academic planning, curricular change proposals, and policy items shall be submitted to the ICC via the campus electronic curricular workflow management system. The ICC Chair builds the agenda for each ICC meeting in consultation with the AVP of Academic Programs and is assisted administratively by the Curriculum Analyst from the Office of Academic Programs. The Curriculum Analyst will screen materials submitted for review and return incomplete proposals to the originating unit before these are reviewed by the ICC chair and the AVP of Academic Programs. The ICC bi-weekly agenda is posted on the ICC website and distributed to Department Chairs and Program Leaders and is built around the following four areas:

9.1 Consent Calendar

The consent calendar provides a mechanism to quickly process routine items under one umbrella. The process is intended to save time, while still creating a mechanism for review of even simple items: Any member of the ICC may move that an item be removed from the Consent Calendar and placed on the Assignment Action Calendar. If there are no objections to items on the Consent Calendar, the slate is passed on to the University Senate. Consent Calendar items include the following:

- Suspending/Deleting a course from the catalog that does not trigger a program change
- Requesting a change in course number
- Requesting a change in course title
- Requesting a change in grading mode
- Changes in prerequisites that do not trigger a program change
- Course classification change that does not trigger a workload (WTU) change

9.2 Voting Action Calendar

The voting action calendar includes items requested by a Subcommittee (APP, GEAR or CDC), or the Academic Policies Committee, for ICC decision. In some cases, the ICC may agree that first reading deliberations of voting action calendar items were sufficient and may immediately be voted on to move to the Senate.

9.3 Discussion Calendar

This calendar provides a mechanism for ICC members to share updates on academic planning and curricular work in progress and receive input from the larger full ICC group that will shape the work.

10.0 DECISION-MAKING PROCESSES AND VOTING

Members are expected to read proposals before meetings in which these proposals are discussed.

When a voting action item is ready, the Subcommittee Chair requests that the ICC Chair schedule the item on the Voting Action Calendar. The subcommittee reports that item to the ICC. If critical new information is introduced during voting action item discussion, the item lead is responsible for updating the record and delivering a final e-copy of any required document.

In the event that the ICC concludes that a curriculum proposal cannot be approved, the ICC chair will detail the rationale in writing to the faculty who submitted the proposal and the appropriate Department Chair(s) and Associate Dean(s). Additionally, that

information will be communicated to the University Senate as an information item. Proposers of the denied curriculum proposals have the right to appeal to the University Senate.

New course, course change, and program change proposals put forward for the voting action calendar by the CDC and/or GEAR will be voted on as first readings. All other items on the voting action calendar will follow a first and second reading format. In the event there are no concerns raised on a voting calendar item at the first reading, a motion to waive the second reading may be proposed and a vote held. For curriculum proposal voting items, the originator of a curricular proposal, and/or collaborator, will be invited to present the main points to the ICC and answer questions or address concerns. Proposal changes that can be appropriately addressed ahead of the publication of the next ICC agenda will return at the following ICC meeting. Proposals with significant changes that cannot be made appropriately ahead of the publication of the next ICC agenda, may be moved back to the subcommittee for further review. Based on the number of voting times on the agenda, voting items will be allotted up to 20 minutes for discussion at the first reading. Any feedback that has not been shared at the end of those 20 minutes can be emailed to the ICC chair. Based on the number of voting times on the agenda, items will be allotted up to 10 minutes at the second reading.

ICC decisions on consent and voting action items will be forwarded as recommendations to the University Senate. Projected degree proposals are moved forward to the University Senate as an informational item. All members of the ICC (elected or Ex-officio), except the AVP of Academic Programs, may vote and a majority carries the vote. Members that abstain from voting change the quorum for majority. Absent voting members can assign a Proxy to cast a vote on their behalf. A voting member can proxy for only one other member at a time and use of Proxies should be communicated to the ICC chair in writing ahead of the meeting.

The Curriculum Analysts will forward to the University Senate office the list of items and related ICC recommendations for consideration by the University Senate on the ICC consent calendar. The Chair of the ICC will present items for the University Senate agenda to the University Senate Executive Committee. The Executive Committee, in consultation with the Chair of the ICC, schedules ICC items on one of two University Senate meeting calendars.

10.1 Consent Calendar of the University Senate

The ICC will schedule most items on this calendar.

10.2 Business Calendar of the University Senate

Policy resolutions and new degree, minor, and certificates will appear on this calendar.

11.0 POST ICC RECOMMENDATION PROCESSES

Any member of the University Senate may move that an item be removed from the Consent Calendar and placed on the Business Calendar where it will be open for

deliberation. As a University Senate courtesy, a University Senator will move an item off the University Senate Consent Calendar and onto the University Senate Business Calendar when asked to do so by a member of the university community. The University Senate makes recommendations to the Provost or designee on academic planning, academic policy, and curricular decisions. The Provost or designee considers the University Senate's recommendations. When appropriate, the Provost may consult with other Vice Presidents and/or the President before making a decision.

12.0 ICC BYLAWS AND RULES OF PROCEDURE REVIEW CHANGES

Changes to this set of bylaws and rules of procedure will be vetted through the ICC and introduced to the University Senate for consideration.

13.0 RELEASE TIME

The University Senate will negotiate prior to elections the release time for ICC faculty members whose ICC-related workload requires it.
