1.1 The purpose of this policy is to establish a structured and transparent framework for hiring qualified management personnel who will uphold and advance the university's mission and strategic objectives. Recognizing the critical role that effective leadership

plays in fostering academic and organizational success, this policy is designed to ensure that hiring processes align with best practices, university policies, and equity principles.

1.2 Management Personnel Program (MPP) refers to a classification of employees who serve in management, supervisory, and leadership roles. MPP employees are exempt from collective bargaining and have responsibilities that include policy development, program administration, budget oversight, and personnel management.

MPP positions are categorized into four levels:

MPP Level 1 – First-line supervisors and entry-level managers.

MPP Level 2 – Mid-level managers with broader oversight.

MPP Level 3 – Senior managers, including associate/assistant vice presidents.

MPP Level 4 – Executive leadership, such as some deans, and vice presidents.

MPP employees are subject to CSU policies rather than union agreements, and their employment is at-will, meaning they serve at the discretion of the CSU administration.

1.3 The policy covers all stages of the hiring process for management positions, from position identification to onboarding, to support a robust, consistent, and fair approach to recruitment and selection.

2. Authority and Compliance

2.1 The Human Resources department and designated hiring committees oversee the hiring process and maintain transparency and adherence to regulatory and policy standards.
