

## JOB ORDER CONTRACT ABSTRACT OF BID PROPOSALS

Bid Solicitation Number: PW26-JOC  
Bid Date: June 2, 2026  
Maximum Contract Amount: \$500,000.00  
Lowest Composite Score in \$: \$863,770.00

### INSTRUCTIONS FOR COMPLETING THIS FORM:

Read the Notes below carefully, as they contain important information and instructions.

Blue cells are calculated fields; DO NOT input data into blue cells.

Yellow cells reflect the results and are calculated fields. DO NOT input data into yellow cells.

Col. E formulas must be adjusted to reflect the Adjustment Factors in Campus bid documents.

ENTER DATA into orange cells. Delete sample data shown below.

| A                                        | B                                                      | C                                                                 | D                                                       | E                                       | F                                        | G                                                                                              | H                                                                                               | I                                                                                 | J                                  | K                                                                                      | L                                              | M                                                                         | N                                                                              | O                                    | P             | Q                                                                                            | R                                   | S                            | T                            | U                                       | V                                                                  |

#### Notes for Recorder/Announcer:

- Award formula for Small Business = Bidder's "Composite Score in \$" less 5% of "Lowest Composite Score in \$" (NTE \$50,000 on bids of \$1,000,000 or more).
  - The SBE preference calculation is based on the lowest bidder, unless that bidder is a CA certified SBE or a Non-Small business committing to subcontract 25% of its contract amount to small businesses.
  - If, after applying SBE preference (Col. K), the lowest bidder is a CA certified SBE, then: the low bidder SBE may only be displaced by another SBE; do not calculate the SBE preference for Non-Small businesses and other bidders—for them, replace the \$50,000 preference with \$0; the only bidders eligible for the DVBE incentive are other CA SBEs; for the other non-SBE bidders, replace incentive amount with \$0. Using this abstract for example, the figures in red above would be replaced with \$0, and
  - The Small Business Preference combined with the DVBE Incentive may not exceed \$100,000.
- In its construction contracts, CSU grants a DVBE bid incentive for bid evaluation purposes only to bidders proposing to exceed the required 3% DVBE participation. The DVBE incentive is added to the required 3% participation as follows: 1% (=total of 4.00% to 4.99% DVBE participation), 2% (=total of 5.00% to 5.99% DVBE participation) or 3% (=total of 6.00% or more DVBE participation) of the "Lowest Composite Score in \$".
- "Required Inclusions in Bids" (Cols. Q-V) has been added so that the Campus Recorder/Announcer may check off these documents as the bid is opened.
