- a) Andrew presented the SFAC 101 information and took questions from membership

III.    Fee requests, Eduardo presides

- a) [Children's Center Full Cost Tuition for Student Parents](#) (Category IV) - No vote required, but presented and discussed; fees last increased back in 2016, and this would bring charges in line with reimbursement rates, allow for appropriate pay and staffing ratios while maintaining competitive cost placement; would increase from \$42/day to \$45/day - NO CONCERNS NOTED
- b) [Children's Center Full Cost Tuition for Cal Poly Humboldt Staff, Faculty, and Community Members](#) (Category IV) - No vote required, but presented and discussed; fees last increased back in 2016, and this would bring charges in line with reimbursement rates, allow for appropriate pay and staffing ratios while maintaining competitive cost placement; depending on age group, costs would increase from \$50-60/day to \$55-65/day - NO CONCERNS NOTED
- c) [Social Work Pre and Post Assessment Tool](#) (Category III) - Would require a vote;

discussed in detail; questions arose as to whether the fairly minimal cost (\$7-14/student) that would result in collection of only a few thousand dollars per year would better be absorbed into the MSF, instead of creating an entirely new fee; the MFS fee will be discussed at the Dec. meeting, so it was decided to table the item for consideration alongside MSF at that time (Eduardo, Nate, no abstentions or nays).

IV. Next Steps and Action Items

V. Chrissy motions to adjourn, Bonnie seconds. Meeting adjourned by Eduardo at 8:58 a.m.
